Professional Experience

Research Fellow

Bioersivity International / Wellington, NZ / May 2018 – Present

- Led mixed-method research project funded by the Food and Agriculture Organization (FAO) assessing the food security and food system resiliency of indigenous Solomon Island villagers.
- Built capacity of local Solomon Islander nutritionists by training on methodologies including qualitative community focus group discussions, nutrition surveys, quantitative 24-hour dietary recalls, and anthropometrics.

Nutrition Communications Dietitian

Freelance / March 2014 – Present

- Assignments range from academic resource creation to keynotes. More details upon request.
- Previous clients include Barilla Centre of Food & Nutrition, Germany's Federal Ministry of Food and Agriculture (BMEL), Unilever, Today's Dietitian Magazine, Environmental Nutrition Magazine, and Pacific Coast Producers.

Adjunct Professor

School of Public Health and Epidemiology / University of Washington / Seattle, WA / Jan 2017 – Jun 2017

- Guest-lectured food systems course (Nutr 302) for 120 students.

Translational Science Dietitian

Arivale: A scientific wellness startup / Seattle, WA / Oct 2015 – Oct 2017

- Constructed and managed a clinical evidence database for ~150 employees.
- Managed team of dietitians to help establish company's clinical policies by evaluating current literature. Topics include nutrigenomics, the gut microbiome, environmental health, and an overall systems-based approach to wellness.

Agriculture, Nutrition and Health Research Fellow

The Academy of Nutrition and Dietetics / Seattle, WA / Sept 2014 – Feb 2016

- Managed expert coalition to develop food waste audit tool for hospitals.
- Designed and facilitated global health summit, creating consensus on The Academy's global nutrition strategy.
- Published three peer-reviewed journals and one poster presentation.

Adjunct Professor

Department of Food and Nutrition / Kent State University / Dec 2013 – May 2014

- Created syllabus and taught graduate level course, "The Politics of Food".

Nutrition Manager

The Greater Cleveland Food Bank / Cleveland, OH / Dec 2012 – Oct 2014

- Established food bank's nutrition policy, which improved the nutrient-quality of ~32 million pounds of food by 31%.
- Trained ~45 food pantry managers to become nutrition ambassadors for their communities.
- Hired and managed three nutrition outreach consultants.
- Managed nutrition advisory council of external stakeholders.
